SHOP DRAWINGS: Prepare and submit to *Boldwing Continuum Architects Inc.* one electronic copy of all required shop drawings with supporting documents and two samples of materials where specified WITHOUT EXCEPTION. Shop drawings not reviewed and stamped by Contractor, verifying field measurements and compliance with contract documents will be REJECTED. Shop drawings to show construction details of all architectural elements; general arrangements, thicknesses, finishes, location of all services, typical and special installation conditions, material being supplied, and all connections, attachments, anchorages and locations of exposed fastenings as applicable. Shop drawings to incorporate applicable key plan, plans, elevations, sections, and details for all work submitted. No materials to be ordered and no work to be fabricated shall be undertaken until shop drawings and other related submittals been reviewed.
