This amendment is raised to answer the following question that was submitted:**Question 1:**

I have a team member who is a Subcontractor that has the following conditions:

1. He has been on an Interchange Canada program exchange from April 1, 2010 to March 31, 2013 (essentially this is a form of leave without pay or LWOP) and was under a conflict of interest agreement (which has now expired) 2. As of April 1, he opted for the Workforce Adjustment option C(ii), which is educational leave without pay until March 31, 2015 and therefore still considered an employee of the Government of Canada (and not a "former public servant") 3. His employment with the government will terminate March 31, 2015 (or earlier if I don't comply with educational requirement, a technicality) 4. He is in receipt of workforce adjustment lump sum payment

Please advise if he is eligible to be included as a team member in the proposal. He has been in contact with the federal department he was employed by to clarify policies but they referred us to ask you and your team at procurement. We have also initiated a letter be issued by the federal department absolving him of any conflict of interest with government policy.

Answer 1:

Please refer to 2008 (2013-03-21) Standard Instructions - Request for Supply Arrangements - Goods or Services, Section 17 - Conflict of Interest - Unfair Advantage to determine whether this Subcontractor is in conflict with this clause.

As a condition of this Subcontractor's employment with the Government of Canada, they must abide by the Values and Ethics Code of the Government Department they work for. A determination as to whether a valid, potential or no conflict of interest must be made by the Values and Ethics committee. Proof of this determination will be required if you submit a proposal and if you choose to include this Subcontractor on your team.

If your bid has already been forwarded and you wish to revise the same, this revision should be mailed in a sealed envelope and reach the Bid Receiving Unit identified on Page 1 before the closing date. The bid number and closing date are to be shown on the sealed envelope.

ALL OTHER TERMS AND CONDITIONS SHALL REMAIN THE SAME.
