**TITLE : WORK IN ATMOSPHERIC OPTICS
AMENDMENT 001**

Included in the present amendment :

- Modification 1.1 - Postponement of the solicitation closing date
- Questions and answers 1.1 and 1.2

Modification 1.1 - POSTPONEMENT OF THE SOLICITATION CLOSING DATE

Solicitation closing date is postponed from July 18th, 2012, to **August 8th, 2012.**

Question 1.1 :

In Section 1.1, Part 4, of the Request for proposals, it is written :

“1.1 Technical Evaluation

Except where expressly provided otherwise, the experience described in the bid must be the experience of the Bidder itself (which includes the experience of any companies that formed the Bidder by way of a merger but does not include any experience acquired through a purchase of assets or an assignment of contract). The experience of the Bidder's affiliates (i.e. parent, subsidiary or sister corporations), subcontractors, or suppliers will not be considered.”

Since it is unlikely that a single Canadian corporation be able to provide all of the expertise requested and required in the RFP, is Canada open at recognizing the experience of all members of a team composed of a prime contractor and a number of subcontractors?

Answer : When the text refers to the Bidder's experience (Point Rated Technical Criteria from Sections 1 and 4), Section 1.1, Part 4, of the Request for proposals applies.

When the text refers to the the experience of proposed resources (Point Rated Technical Criteria from Sections 2 and 3), it is implied that the experience of the resource will be considered even if the resource works for a subcontractor.

Question 1.2 :

In Section 6.2, Part 7, of the Request for proposals, there is no mention of a minimum commitment of funding regarding the Task Authorization portion of the work. Is it possible then that no funding could be available for the Task Authorization portion of the work?

Answer : Yes, it is possible.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
