THIS AMENDMENT **007** IS RAISED TO POST QUESTIONS AND ANSWERS CONCERNING THE REFERENCED SOLICITATION:

Question:

Regarding Annex B - Purchase Description, Article 50. Cabinets

Our supplier has proposed three different types of cabinets, but they are not exactly like those specified in the purchase description. Do you have a make and model to suggest to us that response exactly to your requirement?

Answer:

A requirement identified as “shall (e)” is mandatory. The Department of National Defence (DND) Technical Authority will consider substitutes / alternatives for acceptance as an equivalent.

For information only, DND has determined that cabinets manufactured by Rousseau Metal and Lista Cabinets or close equivalent would meet the performance characteristics specified at Article 50.
