This amendment 001 is raised to respond to the following question from a potential bidder.

QUESTION 1:

Solicitation: W8486-124094/A

The clauses of the above referenced solicitation does not give equal opportunities to all bidders. Foreign bidders has an advantage over the Canadian bidders as they will supply FCA their facility in Europe while Canadian suppliers will have to add the cost of shipping, brokerage and duties in order to deliver FCA Canada.

RESPONSE 1:

As indicated under Part 2 - Bidder Instructions, Section 6.1 Canadian Base Contractor. "...FCA Free Carrier, (Contractor's facility*) as per incoterms 2000.

Delivery location / point:_____

- * Bidders are required to specify above the delivery location / point to be considered as the FCA Plan location/point."

The term that is used in the solicitation is FCA Free Carrier (Contractor's Facility) Incoterms 2000 not FCA Canada. The Canadian-base Contractor is not obligated to have their goods picked up at their facility in Canada. They have the option of delivery location within or outside of Canada. If their supplier is overseas, the Department of National Defence will pick up the items at the facility. As a result, the Canadian suppliers do not have the added cost of shipping, brokerage and duties in order to delivery to their plant in Canada.

ALL OTHER TERMS AND CONDITIONS OF THE SOLICITATION REMAIN THE SAME.
