This amendment is raised to answer the following question received in response to the above-noted solicitation:

Question:

With reference to the subject solicitation we have the following inquiry:

Mandatory Requirements - MT1 and MT2 (RFP Page 16 of 68 – Attachment 1 to Part 4 Technical Criteria)

As we are using the same project to respond to both corporate mandatory requirements, MT1 and MT2, we have completed our response to both requirements in one table, using the Client Reference sheet provided in the RFP (at page 17 of 68).

Please confirm the compliancy of using six (6) pages in total to address both combined mandatory requirements, MT1 and MT2, in one completed signed client reference sheet.

Answer:

It is acceptable to submit a single project reference against multiple mandatory criteria using a single Client Reference Sheet. Multiplying the three-page limit of the Client Reference Sheet by the number of mandatory criteria that it is being submitted against is also acceptable.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
