AMENDMENT 003

The purpose of this amendment is to publish answers in response to questions received regarding this TBIPS SA RFP.

THE FOLLOWING CLARIFICATIONS FORM PART OF THIS TBIPS SA RFP:

Question 1) Because of the complexity of the responses to the Mandatories along with the requirements for documented certifications, we are requesting a 1 week extension at this time.

Answer 1) No extension shall be granted at this time.

Question 2) With reference to the resource A.5 ERP Technical Analyst - SAP Roles and Authorizations Lead (Level 3), at the revised Rated Requirement R-3.

R-3: The bidder's proposed resource should have experience implementing SAP Roles and Authorizations (R&A) within the Government of Canada.

Does "Government of Canada" include any provincial, municipal, or crown corps who have had applicable projects?

Answer 2) Yes. Government of Canada means any Canadian Federal government department, agency or crown corporation as defined by the Financial Administration Act (R.S.C., 1985, c. F-11). If in doubt, please refer to the following website:

<http://laws-lois.justice.gc.ca/eng/acts/F-11/FullText.html#h-4>

Question 3) With reference to the resource A.4 ERP Systems Analyst - SAP Test Tools Lead (Level 3), at the Mandatory Requirement M-2.

M-2: The bidder's proposed resource must demonstrate a minimum of 2 years of experience as a developer for a large scale SAP Production system (500+ concurrent users).

As the role being filled is an SAP Test Tools Lead, please confirm that this requirement is looking for experience developing materials such as test scripts or test strategies and not experience developing the system and/or software.

Answer 3) Yes, that is correct. For a Test Tools Lead, we would be looking for the development of testing related materials.

ALL OTHER TERMS AND CONDITIONS OF THIS TBIPS REMAIN UNCHANGED.
