Amendment Number 1 is raised to make the following change:

Annex "B", Basis of Payment,

Delete in its entirety and replace with the following:

ANNEX "B" - REVISED**BASIS OF PAYMENT**

1. The Contractor will be paid for on a unit price basis or the actual hours worked at the firm hourly rates detailed below. All additional chargeable time, over and above the first half hour, will be rounded to the nearest quarter hour.
2. The Contractor will submit the prices for tradesmen and helper for repair work in accordance with the specification. Rate per hour will include all tools and equipment required for repairing or replacing Overhead Doors. Such prices will include expenses, cost of doing estimates, all other overhead and profit.
3. Rates per hour for the above noted tradesmen will be broken down to:
 - a) Rate per hour during regular working hours Monday through Friday.
 - b) Rate per hour outside regular working hours Monday through Friday.
 - c) Rate per hour outside regular working hours (weekends and statutory holidays).
4. Overtime work (hours in excess of those authorized on a Work Authorization Approval Form) will be at the discretion and approval of the Project Authority.
5. Cost of transportation for a trip to CFB Suffield will be paid a maximum once per day regardless of the number of work orders carried out that day. If a job will take longer than one day, the Contractor will be paid the per trip rate for each day he/she reports to the job.
6. All materials used in repair work will be invoiced at the Contractors cost plus a mark up. For tendering purposes, the Contractor will submit his/her percent of mark up on material.
7. The estimated usages shown below are for evaluation purposes only, and are Annual estimated usages.
8. All applicable taxes are to be excluded from the prices quoted herein. If applicable, taxes must be shown as a separate item on the invoice.

These items will be used for cost evaluation purposes only and do not constitute a guarantee or commitment on behalf of Canada of the quantity or amount to be used under the Standing Offer.

A rate must be entered for each item.

The Offeror agrees that the Price(s) per Unit as tendered govern in calculating the Total Evaluated Price. The Offeror understands that any errors in the extension of the Price per Unit, in the addition of the Estimated Total Price, and Estimated Total Amount will be corrected in order to obtain the Total Evaluated Price.

Cost will be evaluated on the Total Evaluated Price in Column 4. It is anticipated that only one standing offer will be issued to the lowest compliant offeror.
