**Title: Fuel Tank and Components****Solicitation Amendment No. 002**

This solicitation is hereby amended to provide the following questions and answers:

**Q3. In regards to the fuel tank and components, it is specified in ANNEX B that all items must be sent assembled. Since the stairs are shipped loose, and some of the components are packaged to avoid damage to these components. Would it be a requirement for the supplier to send a mechanical person to site to assemble items shipped separate.**

A3. No this won't be necessary we will have our own guys doing this.

**Q4. According to the tendered design (annex a), the fuel tank is to be delivered completely assembled; does this include the steel platform and steps? Can this component be installed onsite?**

A4. No this won't be necessary we will have our own guys doing this.

**Q5. Would you like the freight to include delivery directly to Resolute Bay Airfield? Is so, do you have a preferred carrier?**

A5. As specified in the solicitation documents, delivery is FOB Destination, C-Span Building, Resolute Bay Airfield. Suppliers can send with the carrier of their choice, keeping in mind that the supplier with the lowest aggregate bid will be awarded the contract and that all the deliverables MUST be received on or before August 31, 2012.
