#### ANNEX "C"

##### BASIS OF PAYMENT

In consideration of the Contractor satisfactorily completing all of its obligations under the Contract, the Contractor will be paid a firm price, for the supply, delivery, and installation of upholstered soft seating, upholstered benches, and tables as specified in the contract. Customs duties are included and Goods and Services Tax or Harmonized Sales Tax is extra, if applicable. Canada will not pay the Contractor for any design changes, modifications or interpretations of the Work, unless they have been approved, in writing, by the Contracting Authority before their incorporation into the Work.

Price is to include all delivery charges, administration, costs and risks of transport and customs clearance, including the payment of customs duties and taxes to the destination.

The responsive bid with the lowest evaluated price on an item by item basis will be recommended for award of contract. Please note, however, that Types #1 and Types #2 must be bid together.
