Delete:**3.1.2 Consultant Team Identification**

The consultant team to be identified must include the following:

Proponent (prime consultant)

- Professional Engineer - mechanical engineering specialization, licensed, and registered with NAPEG

- Back-up personnel for the above.

Information required - name of firm, key personnel to be assigned to the project. For the prime consultant indicate current license and/or how you intend to meet the provincial or territorial licensing requirements. In the case of a joint venture identify the existing or proposed legal form of the joint venture (refer to R1410T General Instructions to Proponents, GI9 Limitation of Submissions).

An example of an acceptable format (typical) for submission of the team identification information is provided in Appendix A.
