Question received from the industry:

Question no 1:

Item 4.1.2.1 Sustainable Pricing. Multinationals might be tempted to justify price lists with U.S. (lower than the lists for the Canadian distribution) or foreign (even lower). Could PWGSC specify the lists "for distribution in Canada" will be presented as justification acceptable prices?

Answer no 1:

The price support will be from the price list authorized by the manufacturers "for distribution in Canada"
