SOLICITATION AMENDMENT 013**This solicitation amendment is raised to:**

- Address the following clarification questions submitted by potential bidders.**

1. CLARIFICATION QUESTIONS AND ANSWERS

PW #	RFP Ref.	Title/Topic	CQ#	Clarification Question	CR#	Answer
105		Source Code requirements	13.1	We would like to clarify the response to Question 92 in Amendment 10. We understand that there are instances in the RFP where the vendor is required to provide source code, or has the option of providing source code (such as KMS source code). We are looking for confirmation that aside from the specific requirements in the RFP to provide source code, the vendor is not generally required to provide source code as required by 4006 (2010-08-16) but modified by 7.2.2 Supplemental General Conditions (iv)	13.1	In addition to any specific requirements to deliver source code, as set out in the statement of work, the vendor will be required to provide Canada with the license rights to use source code and to make source code promptly available to Canada in accordance with the provisions of SACC 4006 (2010-08-16).
106		Bidder signature on Bid Submission form and /or a signed copy of Page 1 of the RFP	13.2	Does the bidder need to submit just the Submission Form - so that all our info is present - or do we also need to sign and attach to our bid - all the pages to each amendment.	13.2	Bidder must submit completed and signed Bid Submission Form per Part 3 of the RFP and/or a signed copy of Page 1 of this RFP (which is deemed to include all amendments)

ALL OTHER CONDITIONS REMAIN UNCHANGED
