This amendment is issued to amend the RFP.

QUESTION 40:

M1 – References

Would uninterrupted provision of service to a client (same resources, continuous billing) on the same project be acceptable? That is, can a Bidder treat billings on back-to-back contracts (rebid renewal) on the same project as a single contract?

ANSWER 40:

No, this would not be acceptable.

QUESTION 41:

With respect to Solicitation No. M7594-125928/A, we understand that IBM InfoSphere DataStage ETL is a standard ETL tool used at the RCMP and experience with this technology will be desired by the RCMP when contractors respond to call-up requests for ETL resources via the Statement of Task Form (STOT) – ETL [Appendix 2 to Annex A, pg. 63 of 101]. Question: Would the RCMP consider amending Sub Requirement # 3 - BI Cognos, rated requirement R2 (page 81 of 101) by removing Data Manager V. 8.4.1 or higher and replacing with IBM InfoSphere DataStage?

ANSWER 41:

The requested change is not accepted as experience with Data Manager will be desired by the RCMP at the time of the STOT request.

ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
