**AMENDMENT NO. 006**

This amendment is being issued to advise Proponents of new measures to the verification process for compliance with the Code of Conduct and Certifications.

The process has been changed so that Proponents will only be requested to provide the form, Consent to a Criminal Record Verification (PWGSC-TPSGC 229), if requested by the Contracting Authority. Proponents are still required to submit a complete list of names of individuals who are currently directors of the Proponent's firm with their proposal at solicitation closing or promptly thereafter. If such a list has not been received by the time the evaluation of proposals is completed, the Contracting Authority will inform the Proponent of a time frame within which to provide the information.

Proponents are hereby instructed to incorporate revisions to the following RFP sections: Supplementary Instructions to Proponents (SI) 6, Submission Requirements and Evaluation (SRE) 3.1.4 and Appendix B, Annex BB - Code of Conduct Certification.

Proponents should provide, with their proposal or promptly thereafter, a complete list of names of all individuals who are currently directors of the Proponent. If such a list has not been received by the time the evaluation of proposals is completed, Canada will inform the Proponent of a time frame within which to provide the information. Failure to provide such a list within the required time frame will render the proposal non-responsive. Proponents must always submit the list of directors before contract award.

Canada may, at any time, request that a Proponent provide properly completed and Signed Consent Forms (Consent to a Criminal Record Verification form - PWGSC-TPSGC 229) for any or all individuals named in the aforementioned list within a specified delay. Failure to provide such Consent Forms within the delay will result in the proposal being declared non-responsive.

The Proponent must diligently maintain the list up-to-date by informing Canada in writing of any change occurring during the validity period of the proposal, and must also provide
