Question: On schedule page 15 and 16, there are 2 daily delivery points and 2 Wednesday delivery points. The daily sites have an expected delivery time (8:30 and 10:30), the Wednesday points do not have a time (that I can see) – please advise.

Answer: For the two Wednesday delivery points, there is no set time, however, delivery must take place during the same day.

Question: The last task is titled Returned to: 11:30 Is this the due time? Is it the same business day as the delivery or is it for next business day? And is there a return from all 4 of the delivery sites?

Answer: Return must be by 1:00 pm the same business day as the delivery and yes there is a return from all 4 of the delivery sites.
