This Tender Amendment No. Two (2) is being issued to include the following questions and answers.

The following addendum to the tender documents is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum No. 2.

QUESTIONS AND ANSWERS

Q1. Please confirm that the mix strength is Class C1 - 35 MPA.

A1. Refer to Specification section 03 30 00, clause 2.2 for mix design.

Q2. Drawing 3 of 4, section New Work, right at top there is a note saying “new W200 x 71 steel channels continuous over length of ssp” and on page 4 of 4 on plan view, section A/4/4, and section B/4/4 it is specifying “New C200 x 28 continuous wale”. It seems both note are referring to the same piece, which one is governing?

A2. It's a C200 x 28.
