This amendment is raised to modify the RFI document.

Amendment:

On page 5 of 9, Article A.6: Treatment of Responses

1. Delete sub-article (d) Follow-up Activity, in its entirety and replace with the following:

(d) Follow-up Activity

In addition to the RFI process, the engagement process will also include an "Industry Engagement Session" followed by one-on-one "Industry Meetings".

Canada anticipates holding the Industry Engagement Session on April 22, 2013 and the Industry Meetings will be scheduled from April 23, 2013 to April 26, 2013. These sessions will be held in Ottawa and specific details about the location(s), and time(s) of the sessions will be provided directly to the registered industry participants prior to the Industry Engagement Session.

Industry Engagement Session:

The purpose of the Industry Engagement Session is to provide Industry and other interested parties " participants" with general information on the Health Canada requirement for nursing services for Remote and Isolated First Nations Communities, the consultative process and the process timelines.

One-on-One Industry Meetings:

Following the Industry Engagement Session, Canada will meet with Industry participants individually to listen to their concerns, recommendations and solutions. Canada will analyze and summarize industry input for further use during the final Bid Solicitation development phase or to identify topics that still need to be discussed at other consultation sessions, if required.

Canada may, in its discretion, set up subsequent consultation mechanisms, including one-on-one meetings with the industry participants to follow up with additional questions, or for clarification of any aspect of their input.

2. Insert sub-article (e) Registration, as follows:

(e) Registration

Participants that wish to attend the Industry Engagement Session and Industry Meetings are to register by notifying the PWGSC Contracting Authority, identified herein, by April 12, 2013. Participants must identify themselves by their legal name, corporate address,

the names of representatives attending by their respective title as well as their office address, telephone number(s) and e-mail address.

Please note that:

- 1) Due to space limitations, interested participants are asked to limit the number of representatives to a maximum of 4 persons.
- 2) All attendees are encouraged to register and will be required to sign-in upon arrival to the venue.
- 3) Interested participants are encouraged to provide written comments and recommendations on the draft Bid Solicitation, answer the list of Questions to Industry annexed to the RFI document and, if desired, suggest additional topics to the Contracting Authority they may wish to discuss at the one-on-one meeting.
- 4) Attendees are responsible for their own transportation, accommodation, meals, parking and all other expenses.
- 5) Participation is not a mandatory requirement. Not attending the Industry Engagement Session and the individual meetings will not preclude an interested Service Provider from submitting a bid.
- 6) Media cannot participate in the one-on-one meetings.

The contents of the LOI remain unchanged
