This Solicitation No. Two (2) is raised to include the following revisions.

The following Addendum to the tender is effective immediately. This addendum shall form part of the contract documents.

All other terms and conditions remain the same.

Addendum No. 2.

1. QUESTIONS AND ANSWERS

Q1. With reference to the pricing sheet on page 20 of 26 - Annex B - Basis of payment, it states that service is needed twice per week for 104 pickups per year (i.e. 1 container lifted twice per week). However, Annex A of the Annex E - Specification, Five (5) containers are listed on the property (Moncton Garrison Building No. MG2, MG60/60A, NG47, MG48, MG66), and which would amount to 519 lifts per year if they were serviced twice per week. Why is there a discrepancy in number of containers and lifts per year - can you clarify please?

A1. There are five (5) dumpsters located at the Moncton Armoury which are required to be dumped twice per week. Therefore the dumpsters are required to be dumped 520 times per year or 104 times per year per dumpster.

Q2. On the pricing sheet, for the base service on item 1, which size of the container are we pricing?

A2. The sizes of the dumpsters are listed in Annex A of the Specification (4 - 6 cu M and 1 - 4 cu M)
