Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The 2006 (2012-07-11) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO.

The text under Subsection 4 of Section 01 - Code of Conduct and Certifications - Offer of 2006 referenced above is replaced by:

Offerors should provide, with their offer or promptly thereafter, a complete list of names of all individuals who are currently directors of the Offeror. If such a list has not been received by the time the evaluation of offers is completed, Canada will inform the Offeror of a time frame within which to provide the information. Failure to provide such a list within the required time frame will render the offer non-responsive. Offerors must always submit the list of directors before issuance of a standing offer.

Canada may, at any time, request that an Offeror provide properly completed and Signed Consent Forms (Consent to a Criminal Record Verification form - PWGSC-TPSGC 229) (<http://www.tpsgc-pwgsc.gc.ca/app-acq/forms/formulaire-forms-eng.html>) for any or all individuals named in the aforementioned list within a specified delay. ANNEX "C"**Insurances****1- For short term leases:**

Canada requires the contractor to provide the automobile liability insurance to meet the financial responsibility laws (e.g. insurance acts) in Canadian provinces and US states.

2- For long term leases:

Canada self-underwrites the risk in Canada, so this means that there is no actual commercial insurance policy in place. However, if any of these "self-underwritten" vehicles are to cross in to US, Canada has to meet financial responsibility laws in the US states in which Canada will be operating, which means showing proof of insurance.

3- Area of operations for all vehicles rented/leased by Canada within any states of the USA:

To comply, there is a US Automobile Liability insurance policy in force each year and it is available to federal government departments through the NMSO EN578-121745/001/ZL for Insurance Broker Services. Any department that wishes to enter the US (in a long-term lease) will need to contact the insurance broker, issue a call-up and receive the proof of insurance before making the trip. All of the applicable contact information is available in the NMSO.
