This Solicitation amendment is raised to answer questions received from Bidders.

A. QUESTIONS AND CORRESPONDENT ANSWERS:

QUESTION 1

In R4 of the Corporate rated requirement section, the crown requests that “The Bidders should demonstrate its total billable experience (in dollars) in delivering informatics services for a system using any other client/server Architecture in excess to R.2 and R.3, by using Appendix B of Attachment 3.2.”

Could the crown please confirm that the use of the words “other client/server...” is indicating that the crown requires breadth of experience and is therefore requiring the projects listed in response to R4 to be different from those used in R2 and R3?

ANSWER 1 - Canada confirms that project listed in response to R4 must be different from those used in R2 and R3.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
