This amendment has been raised to answer the following questions from a supplier:

Q1: Do we need to show test results from both ANSI/BIFMA as well as CAN/CGSB? Or will ANSI/BIFMA only be acceptable?

A1: Bidders can ignore the 5 year rule and still submit results from ANSI/BIFMA & CAN/CGSB.

Q2: Do we need to supply any RJ-45/CAT6E for this requirement or are these to be supplied by others and we would be just allowing a slot for them?

A2: CAT-6 cable and RJ-45 cable terminations will be supplied by others, the required slots will be provided by the bidder.

Q3: You are asking for 115 Volt Receptacles. Do you see a need for 120 Volt Receptacles?

A3: No, 115v will be sufficient given the power requirements of the equipment to be used.

Q4: Are there elevation typical(s) of the furniture you are requesting?

A4: No, there are not elevations of the furniture.

Q5: Is there a manufacture(s) of the furniture you are requesting?

A5: No specific manufacturer can be identified on a competitive tender

Q6: Would you be able to supply pictures of what they are looking for?

A6: No, this would denote a specific manufacturer.

Q7: Are there drawings of the space or a CAD File?

A7: Yes there are CAD files of the space with the furniture layout included.

All other terms and conditions of the solicitation remain the same.
