Title: *Canadian Innovation Commercialization Program (CICP) Call for Proposals, Call No. 003*

Amendment No. 001

The purpose of this amendment No. 001 is to amend the solicitation document as detailed below, respond to questions received by bidders and add an Attachment A - Questions and Answers, to the Call for Proposals Solicitation Document.

1. At Part 1 - General Information, add:

1.1.5 The region of delivery is unknown at this stage and could be for goods/services to be delivered in an area subject to Comprehensive Land Claims Agreements (CLCAs).

2. Insert an Attachment A - Questions and Answers, to the Call for Proposals Solicitation Document and insert the following questions and answers:

Q1. Would a company not owning the Intellectual Property (IP) for the proposed Innovation but having an exclusive right to the technology be able to submit a proposal under CICP?

A1. Yes, please refer to the Proposal Submission Form, Mandatory Criteria & Certifications section, MC-3 Ownership.

Q2. Would you please clarify how one might certify that the 'Bidder is not infringing on any IP rights'? What is that certification based on? To the best of the knowledge of the bidder ?

A2. Yes, the bidder is to make this certification to the best of its knowledge. We expect that the certification is provided in good faith by a prudent person, which implies that the person has verified who is the rightful owner of the IP and that where he/she is not owner, will ensure that appropriate agreements to use the IP are in place, where required.

THERE ARE NO OTHER CHANGES TO THE SOLICITATION
