Insert:

### **5. Performance Fee Payment**

5.1 While the Contractor's Fees, as set out in clause 2 - Basis of Payment, are to be shown for the full amount on invoices, they are payable at 85% of the Fee component of the approved claim for payment with the remaining 15% of the Fees payable at the end of the fiscal year, subject to the Contractor's performance determined in accordance with Performance Measurement Framework described within the Statement of Work. This latter 15% of the Fees is the performance fee portion for each of the Fees and is further apportioned in relation to each applicable Key Performance Indicator as set out in Statement of Work.

5.2 The performance fee portion payable to the Contractor for each of the Fees is determined by correlation to the Contractor's performance during the preceding year as reflected by Key Performance Indicator scores. The full performance fee for a Key Performance Indicator is payable to the Contractor provided the Contractor obtains at least the minimum required points as given in Tables 5.3 and 5.4 below for that Key Performance Indicator (KPI).
