**CSB + PDU-SFF Solicitation Amendment # 7**

This amendment includes Questions received with Answers detailed herein.

**A. Questions & Answers****Question 1**

References:

- (1) Basis of Payment, Annex B, page 3 of 6, Section 5
- (2) Appendix A4. Obsolete Component Parts

The Basis of Payment at reference 1) states: "These Obsolete Component Parts are identified at Appendix A4 to Annex A". Appendix A4 to Annex A (reference 2) states that the obsolete components parts will be provided at Contract Award.

For the purposes of submitting a bid, please confirm it is Canada's intent for the bidder to identify the obsolete components in its bid and insert the prices for those identified obsolete components in the Financial Evaluation Spreadsheet.

**Answer 1**

Yes.

As stated in Amendment 6 to the RFP, Bidders should input the total or global cost of all component parts sufficient to manufacture the specified maximum quantity in the Appendix I3 Spreadsheet.

As stated at Paragraph 1.4 of Annex I, the Bidder shall provide an itemized list of the Obsolete Component Parts upon which the Bidder's unit pricing of Line Items 001-H and 002-H of Annex B (and of the Bidder's completed Financial Evaluation Spreadsheet (Appendix I3)) was based.

Reference (2) in the question refers to the Appendix A4 Table. This is the List of Obsolete Component Parts which the Bidder determines will become obsolete. The table will only be populated at Contract Award, and will form part of the resulting Contract. This table will be derived from the list provided with the bid, but may be updated subsequent to Contract Award as per CDRL 005, DID PM-005 Para 10.2.3.1.3.
