SOLICITATION AMENDMENT 002

At Part 1 - General Information, Article 1.2 (c) is revised as follows:

- DELETE** (c) This procurement is being conducted by PWGSC for Shared Services Canada. The resulting contract will be used by Shared Services Canada for itself and to provide shared services to its clients.
- INSERT** (c) This procurement is being conducted by PWGSC for Shared Services Canada. The resulting contract will be used by Shared Services Canada to provide shared services to its clients, that include SSC itself, those government institutions for whom the shared services that SSC provides are mandatory, and those other organizations for whom the shared services that SSC provides are optional and that choose to use those services from time to time. This bid solicitation does not preclude Canada from using another method of supply for entities of the Government of Canada with the same or similar needs.

At Part 7 - Resulting Contract Clause, Article 7.1 (b) is revised as follows:

- DELETE** (b) **Client:** Under the Contract, the “Client” is Shared Services Canada (“SSC”) for itself and to provide shared services to its clients. The SSC clients are currently defined within the Order in Council P.C. 2011-1297. Any statutes, regulations or order in councils which may come into force during the contract period and which may affect who are the clients of SSC under this contract will be applied and the SSC clients under this Contract will be changed accordingly.
- INSERT** (b) **Client:** The Client is Shared Services Canada (SSC), an organization with a mandate to provide shared services. This Contract will be used by SSC to provide shared services to its clients from time to time, which include SSC itself, those government institutions for whom the shared services that SSC provides are mandatory, and those other organizations for whom the shared services that SSC provides are optional and that choose to use those services from time to time. SSC may choose to use this Contract for some or all of its clients and may use alternative means to provide other clients with the same or similar services.

Questions and answers

Question #3:

Time is required to incorporate the solution design and solution rollout with our partners and to gain executive approval for bid submission of this magnitude. A comprehensive understanding of the requirements is vital prior to completing our solution, pricing of the services and obtaining executive approval.

We respectfully request a 4 week extension to July 27, 2012 to complete the fully approved solution along with associated pricing.

Answer #3:

Please see the responses to questions 1 and 2 of solicitation amendment 001.
