**This Revision 003 to the Request For Standing Offers (RISO) is raised to provide the following clarification regarding the number of RISOs to be issued and ranking methodology, and to make the following changes to the solicitation as follows:**

**On Page 4 of 46:**

**DELETE:** 1.2 FINANCIAL EVALUATION IN ITS ENTIRETY.

**INSERT:**

**1.2 FINANCIAL EVALUATION**

It is the intention of Canada to evaluate this requirement as follows:

- 1.2.1 An evaluation total will be established by multiplying your quoted prices by the estimated annual usages in Annex "B". (PLEASE NOTE: The usage estimates are provided for the purpose of establishing an evaluation total of "price" only; actual quantities will vary.)

The aggregate of each subtotal will then be added together to reach a final aggregate evaluated price, in accordance with the following table:

Period	Evaluated price
Contract Period (Year One) - from date of issuance of Standing Offer to March 31, 2014	\$
Option Period 1 (Year Two) - from April 1, 2014 to March 31, 2015 (CANADA OPTION)	\$
Option Period 2 (Year Three) - from April 1, 2015 to March 31, 2016 (CANADA OPTION)	\$
<b>Grand Total - aggregate evaluated price (ALL YEARS):</b>	<b>\$</b>

- 1.2.2 Bidders should note that Streams 1 and 2 will be evaluated separately; that each Stream of Work will be evaluated separately; that Bidders can bid on one or both Streams; and that up to 2 Standing Offers per Stream may be recommended for award as a result of this solicitation.

1.2.3 Prices - Items

The Offeror must submit firm prices for one or multiple groups of items. However, offerors must submit firm prices for a minimum of 90% of items listed in the group(s) of items within each Stream for which they submit prices. The groups of items are identified as follows:

Under STREAM 1 in Annex B1:

- a minimum of 90% of items listed in PART 2 - Laundry List (General) of Annex B1;
- a minimum of 90% of items listed in PART 6 - Laundry List (Medical & Dental ) of Annex B1;
- a minimum of 90% of items listed in PART 3 - Dry Cleaning (General) of Annex B1;
- a minimum of 90% of items listed in LAUNDRY FOR CHAPLAINS of Annex B1.

Under STREAM 2 in Annex B2:

- Group E: a minimum of 90% of items listed in PART 2 - Laundry List (General) of Annex B2;
- Group F: a minimum of 90% of items listed in PART 3 - Dry Cleaning (General) of Annex "B2".

- 1.2.4 Specified items that are not individually priced in Annexes B1 and B2 above will be given the following values, for evaluation purposes only, where applicable:

The greater of \$1.00 or the highest price proposed for that item by any responsive bidder.

- 1.2.5 SACC Manual Clause M0220T Evaluation of Price (2007-05-25)

### 1.3 Multiple Standing Offers

It is anticipated that up to two (2) Regional Individual Standing Offers may be authorized for each Stream of Work in Annex "B" as a result of this Request For Standing Offers, up to an aggregate amount of \$300,000.00, GST/HST included. An Offeror may bid on one or more Streams of Work, and a single Offeror may be awarded more than one Standing Offer.

Depending on the number of responsive offers received for each Stream of Work, the following table shall be used to apportion the work:

Number of Responsive Offers, per Stream of Work	Approximate Proportion by % of Total Estimated Value, per Stream of Work	
	Rank # 1**	Rank # 2**
1	100	N/A
2	70	30

*\*\*Where Ranking is based on the evaluated price. (i.e. lowest evaluated price receives Rank # 1, second lowest evaluated price receives Rank # 2)*

## 2. Basis of Selection - Mandatory Technical Criteria Only

An offer must comply with the requirements of the Request for Standing Offers and meet all mandatory technical evaluation criteria to be declared responsive.

An aggregate price of all specified items in Annexes "B1" and/or "B2" for all years will be utilized for evaluation purposes (including non-priced items as per 1.2.4 above).

Up to two (2) responsive offers with the lowest evaluated price on an aggregate basis per Stream of Work will be recommended for issuance of a Standing Offer for that particular Stream of Work.

**All other terms and conditions remain the same.**
