61	1	1		<p><b>Original Response as per Amendment 006:</b> The Technical Compliance Program (TCP) is scheduled to commence immediately following the closing date of the RFP. In order to extend the bid period, Canada needs to consult with Prairie Agriculture Machinery Institute PAMI, Nevada Automotive Test Center (NATC) as well as DRDC, who are conducting the TCP to determine whether changes in the TCP program schedule can be accommodated. Canada estimates that a decision on whether the schedules can be revised will not be rendered until the last week of February 2012. As such, the response to this question is that no extension will be considered at this time.</p> <p><b>Revised Response:</b> Canada grants as per this Amendment 008 an extension to the RFP until May 23, 2012, 14:00:00 Eastern Daylight Saving time.</p>
