SOLICITATION AMENDMENT #15

The following amendment is raised to:

A.) Answer the following questions.

B.) Make the following modifications.

A. QUESTIONS AND ANSWERS

Q.39 The description of M3h says that 'the offeror must provide the project value for the complete solution', yet the title of the column in the spreadsheet is 'Total Domain/Project Value'. Is the required value the total project value inclusive of hardware and consumables, or is it the Domain value within the total project, i.e. Services to support the development, maintenance and integration and testing of system components to merge their functional and technical characteristics into a comprehensive, interoperable system. Services include project management, architecture, design, development, testing and deployment only?

A.39 The total project value is the total amount invoiced by your company to provide the solution. If the total project value is submitted for more than one domain, this total project value must be divided in accordance with Answer #4 of Solicitation Amendment #2 of the SBIPS RFSA EN537-05IT01/G.

Q.40 The closing date listed in A1.4 for the forth quarter submission period is March 31. Will this be modified in light of the fact that this is a Saturday?

A.40 The schedule at Article A1.4 Supply Arrangement Refresh of the SBIPS RFSA will not be modified.

B.) MODIFICATIONS

Amend the Solicitation Closing date on Page 1 of this SBIPS RFSA EN537-05IT01/G. The date on page 1 of the RFSA is for administrative purposes only and indicates only the expiry date of this current notice on MERX. **The submission dates for EN537-05IT01/G quarterly submissions are indicated at article A1.4 of the RFSA.**
