SECTION A - QUESTIONS AND ANSWERS

Question 20

We have a sponsored application in process with the Industrial Security Directorate but of course no knowledge of when it might be completed. Does the below wording mean that if we submit an application now and all else in in order, we would be awarded the SA once our DOS is complete as long as its within a year of this proposal process?

"Canada will not delay the issuance of any Supply Arrangement to allow bidders to obtain the required clearance; however, Canada will consider awarding a Supply Arrangement during the period that is twelve months following the closing date of the bid solicitation to a bidder if it has received its required clearance and all other requirements of the bid solicitation have been met."

Answer 20

Not necessarily. When Canada issues the "Refreshed Bid Solicitation" as per Article 2.5 in Part 1 of Component 1, Suppliers will have to meet all the requirements of that bid solicitation. Therefore, if a Supplier as result of the On-Going Opportunity for Qualification (Solicitation E60ZH-070003/D) meets all requirements with the exception of the Security Requirements would not be able to submit a bid under the "Refreshed Bid Solicitation" as a pre-qualified Supplier and would therefore have to submit a bid as a new Supplier.

Question 21

I am in the process of preparing our response to Solicitation E60ZH-070003/D for the addition of categories to Stream 8, and I'm wondering the following:

In the Bid preparation instructions Section 1.a) it indicates:

Section I: Technical Bid four hard copies and 2 soft copies and
Section III: Certification two hard copies and two soft copies

If we are already qualified and only submitting the below delta information for consideration:

· LS SOSA Certification Response Template

LS SOSA Stream 8 Category Checklist

Do you still require the 2 hard copies and 2 soft copies?

Answer 21

Suppliers must provide the 2 hard copies and 2 soft copies.

Question 22

Can you confirm if it is a requirement for the bidder to execute the first page of the Solicitation and subsequent amendments (to date) and submit with their bid? If so how many hard and soft copies are required to be submitted?

Answer 22

In accordance with Article 5.1 in the Standard Instructions - Request for Supply Arrangement Goods or Services, the arrangement must be signed by the Supplier or the Authorized Representative.

It is not a specific requirement that a Supplier submit the first page of the Solicitation.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
