**AMENDMENT #006 IS RAISED TO ANSWER A QUESTION**

**QUESTION AND ANSWER**

**Question 9:**

I have just been informed that our company still does not have an employment equity certificate number. We are in the process of applying to the provincial (Quebec) government to obtain it.

I expect that we will not have it in time to include it in our completed bid. What do we have to do in that case?

**Answer 8:**

The Technical Response Template , Attachment 2 - Annex "C" to Section A - Certification, Federal Contractors Program for Employment Equity Certification, part 3. (c) states:

(c) is subject to the requirements of the FCP-EE, having a workforce of 100 or more permanent full time, part-time or temporary employees in Canada, but has not previously obtained a certificate number from HRSDC, (having not bid on requirements of \$200,000 or more), in which case a duly signed certificate of commitment is attached;

In this case, you would have to choose option (c) of the certification and complete the certificate of commitment that can be found on the following website:
