THIS AMENDMENT #003 IS RAISED TO ANSWER QUESTIONS FOR THE RFSO.**QUESTIONS AND ANSWERS****QUESTION 7**

Can you please clarify, are the new RFPS for THS (S0) and (SA) a refresh or new Standing offers? It is not clear?

ANSWER 7

The Request for Standing Offer no. E60ZN-110002/A is a re-compete of the Standing Offers issued under EN578-060502/C. However, Offerors that have a Standing Offer issued under RFSO no. EN578-060502/C are not required to submit temporary help resource names for those classifications they were previously technically responsive for. If these Offerors want to be considered for the same classifications, streams and/or sub-streams for solicitation no. E60ZN-110002/A, they must submit an offer for this solicitation, which includes the following:

- Refer to PART 3 - OFFEROR PREPARATION INSTRUCTIONS in its entirety, Page 10 of the RFSO;
- Refer to PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION its entirety, Page 13 of the RFSO;
- Refer to Attachment 1 to Part 4 - Mandatory Evaluation Criteria in its entirety, Page 14 of the RFSO;
- Refer to Appendix A to Attachment 1 to Part 4- Certification for Offerors Qualified under the Standing Offer issued under RFSO no. EN578-060502/C in its entirety, Page 20 of the RFSO;
- Refer to PART 5 - CERTIFICATIONS in its entirety, Page 22 of the RFSO; and
- Refer to PART 6 - SECURITY, FINANCIAL AND INSURANCE REQUIREMENTS in its entirety, Page 27 of the RFSO.

Once the Standing Offers resulting from the RFSO no. E60ZN-110002/A are issued, the Standing Offers currently in place under EN578-060502/C will be set-aside.

Also please refer to Answer 3a. in Amendment #002.

QUESTION 8

Would you please confirm if you anticipate holding a Bidder's Conference regarding these submissions.

ANSWER 8

PWGSC will not be holding a Bidder's Conference for this solicitation.

QUESTION 9

Does this mean that even though our company is already on the current THS SO and SA and are already on Streams 1,2 and 5 that we have to re-submit 20 resources again for these streams even though we have submitted these resources to get onto this current SO and SA and have been approved? Are you saying that we have to go through this process again?

Also, is it possible to get a "checklist" of what information we have to provide for both the SA and SO if we have already been approved and are on the current SA and SO. This would be just a re-fresh for us, we are not a new company submitting a bid to get on so it is confusing as to what companies such as ours have to submit as we have already been approved for our testing, existing classifications etc.

ANSWER 9

Offerors that have a Standing Offer issued under RFSO no. EN578-060502/C are not required to submit temporary help resource names for those classifications they were previously technically responsive for. However, if these Offerors want to be considered for the same classifications, streams and/or sub-streams for solicitation no. E60ZN-110002/A, they must submit an offer for this solicitation, which includes the following:

- Refer to PART 3 - OFFEROR PREPARATION INSTRUCTIONS in its entirety, Page 10 of the RFSO;
- Refer to PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION its entirety, Page 13 of the RFSO;
- Refer to Attachment 1 to Part 4 - Mandatory Evaluation Criteria in its entirety, Page 14 of the RFSO;
- Refer to Appendix A to Attachment 1 to Part 4- Certification for Offerors Qualified under the Standing Offer issued under RFSO no. EN578-060502/C in its entirety, Page 20 of the RFSO;
- Refer to PART 5 - CERTIFICATIONS in its entirety, Page 22 of the RFSO; and.
- Refer to PART 6 - SECURITY, FINANCIAL AND INSURANCE REQUIREMENTS in its entirety, Page 27 of the RFSO.

Please refer to ANSWER 3a in Amendment #002 and ANSWER 7 above in Amendment #003.

QUESTION 10

Does this mean that existing offerors have to submit new references for all of the categories and streams they are already qualified in their technical proposal?

ANSWER 10

No. Offerors that have a Standing Offer issued under RFSO no. EN578-060502/C are not required to submit temporary help resource names for those classifications they were previously technically responsive for. However, if these Offerors want to be considered for the same classifications, streams and/or sub-streams for solicitation no. E60ZN-110002/A, they must still submit an offer for this solicitation, which includes the following:

- Refer to PART 3 - OFFEROR PREPARATION INSTRUCTIONS in its entirety, Page 10 of the RFSO;
- Refer to PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION its entirety, Page 13 of the RFSO;
- Refer to Attachment 1 to Part 4 - Mandatory Evaluation Criteria in its entirety, Page 14 of the RFSO;

- Refer to Appendix A to Attachment 1 to Part 4- Certification for Offerors Qualified under the Standing Offer issued under RFSO no. EN578-060502/C in its entirety, Page 20 of the RFSO;
- Refer to PART 5 - CERTIFICATIONS in its entirety, Page 22 of the RFSO; and
- Refer to PART 6 - SECURITY, FINANCIAL AND INSURANCE REQUIREMENTS in its entirety, Page 27 of the RFSO.

Please refer to ANSWER 3a in Amendment #002 and ANSWER 7 above in Amendment #003.

QUESTION 11

First, in mandatory M2C, we are to propose a minimum of two resources per sub stream and a maximum of four.

- Can we propose resources qualified as Advanced and automatically win the lower levels? Or do we have to propose one resource per level to win all the levels?
- The prices that we will bid will be valid for what length of time before we can revise them.

ANSWER 11

- Bidders need only submit temporary help resource names by classification. Levels are not considered in the evaluation process. If bidders are compliant in a classification, they will be considered compliant for all levels in that classification.

- As stated in Section II: Financial Offer of PART 3 - OFFER PREPARATION INSTRUCTIONS on page 10 of the RFSO:
"Offerors must submit their financial offer when they input their first weekly price revision into the THS Online System once the Standing Offers (SO's) are issued."

As stated in Article 7- Price Revision (PR) of Part 7 - STANDING OFFER AND RESULTING CONTRACT CLAUSES on page 31 of the RFSO:

"Once a week (the exact day to be determined), the Qualified Offerors will have the opportunity to input two(2) weekly price revision (PR) rates, one unilingual and one bilingual rate directly into the THS On-line System. This will become that given week's Offeror's firm hourly rate, for the given classification and level of expertise. The PR will also be used to establish the ranking of Qualified Offerors, from lowest to highest firm hourly rate, for each classification. Canada reserves the right to change the frequency of the PR. The PR, which is also indicated on the Identified User search result sheet, is valid for up to 10 working days from the date that the search sheet is printed."
