Amendment 001 is being raised to answer a question from a potential supplier:

“Flying Work shall be performed during the period from Contract award and ALL deliverables completed by March 31, 2013 with a one (1) twelve month option period”

**Question 1:**

1. Is all flying work and deliverables really to be completed by March 31st 2013, or is the 12 month option period able to be assumed at this point – thus extending the window until March 31st 2014?

**Answer 1:**

1. All flying work and deliverables must be completed by March 31, 2013.

The twelve month option period identified is to extend the contract for additional services if applicable in accordance with Annex A Statement of Work.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
