This amendment is to answer questions that were asked.

Q1. On page 4 of Solicitation No. E60ZG-060004/G for the PASS SA Refresh, it states “This Refresh for Supply Arrangement (RFSA) cancels and supersedes previous RFSA #E60ZG-06004/F dated January 6, 2012 with a closing date of February 21, 2012.”

However, on page 39 of Solicitation No. E60ZG-060004/G for the PASS SA Refresh, it states “A Request for Supply Arrangement will be issued in accordance with the process set out below to allow new suppliers to become qualified. Existing pre-qualified Suppliers, who have been issued a supply arrangement, will not be required to submit a new arrangement.”

We have signed a contract (dated March 23, 2012) under this Supply Arrangement. We require clarification that as a result of the issuance of this new RFSA (which “cancels and supersedes previous RFSA #E60ZG-06004/F dated January 6, 2012 with a closing date of February 21, 2012.”), do we as a pre-qualified supplier with a valid contract, have to submit a response to this RFSA?

A1. This RFSA does supersede the previous RFSA, however, if you are a pre-qualified supplier under E60ZG-060004/F, you will be receiving notification by e-mail to confirm your acceptance to the E60ZG-06004/G. Upon receipt of confirmation, we will be issuing an amendment to your SA.

Q2. We also want to clarify that should we be in a position to apply for a new workstream in the future, would we simply prepare a response accordingly to the RFSA requirements for the specific workstream within the quarterly timelines outlined in the RFSA?

A2. Correct.

Q3. Please also clarify that no action at this time is required on our part related to this RFSA unless we intend to apply for a new workstream.

A3. No action is required unless you intend to apply for a new stream.
