This amendment number 003 is raised to provide answer to a question received from a Bidder.

Q. 20: We respectfully request that the Crown reconsider the elimination of R2 for the Project Manager Level 3. This is a rated requirement and the absence of an IIBA or CBAP will make no resource non-compliant, however, the inclusion of this requirement will only provide Treasury Board with a stronger candidate. This is a senior position for a project requiring significant business analysis to ensure that the new Business Intelligence functionality meets the business objectives driving this investment, and this change contradicts the value originally placed on CBAP expertise within the RFP (see Business Analyst L3 R1 and AMD001 Q&A13). Therefore, we believe that the best resource should be made available to the client for consideration.

A. 20: No. We reviewed the evaluation criteria (R2) for the Project Manager Level 3 at the time the original question (Q. 15) was asked and decided to eliminate it. We will not be adding it back.

ALL OTHER TERMS AND CONDITIONS OF THE RFP REMAIN UNCHANGED.
