This amendment is raised to answer an industry question and amend the RFI document.

Question 2:

Could you please clarify one of the Questions to Industry? Thank you

Annex A – Questions to Industry

Question 6. Consideration might be given to bidder pricing be tied to provincial rates (See Annex C). Please provide comments and feedback.

There does not appear to be any information in the RFI documents that address the matter of bidder pricing being tied to provincial rates. The Annex respondents are directed to consult is focused on security requirements.

Response to Question 2:

The purpose of the question was to ascertain if rates should vary across the First Nations and Inuit Health Branch (FNIHB) Regions, and be tied to the average provincial rates (See attached Annex C to the RFI document).

The contents of the LOI remain unchanged
