

CCGS Ann Harvey Alongside Refit 2012.

H-02 Fixed Fire Fighting Systems Annual Inspection/Maintenance

Clarification:

Refer to 1.1 “...an authorized service provider.”

Delete 3.1 as noted.

3.1 Contractor is to tender for “an authorized service provider” to complete all work as outlined in the specification including all Travel and Living expenses.

NAMFIS is not the only **“authorized service provider”**.

Don Brentons is an authorized service provider.
