## PART 2 - OFFEROR INSTRUCTIONS

### 1. Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the Standard Acquisition Clauses and Conditions Manual issued by Public Works and Government Services Canada (PWGSC).

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

## **3. Enquiries - Request for Standing Offers**

All enquiries must be submitted in writing to the Standing Offer Authority no later than ten (10) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered .

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that offerors do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered with copies to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

## **4. Applicable Laws**

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed by the laws in force in Ontario.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

## **PART 3 - OFFER PREPARATION INSTRUCTIONS**

Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer. Bidders must submit their financial bid using Annex "B" only. Financial bids received in any other form will not be accepted for evaluation.

Canada requests that offerors follow the format instructions described below in the preparation of their offer.

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to that of the Request for Standing Offers;

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environment considerations into the procurement process *Policy on Green Procurement* (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, offerors are encouraged to:

- 1) use paper containing fibre certified as originating from a sustainably-managed forest and/or containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

#### **Section I: Offer**

In their offer, offerors are to complete and submit the fill-in pages of the RFSO document.

#### **Section II: Financial Offer**

#### **Section III : Certifications**

Offerors must submit the certifications required under Part 5.

### **PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION**

## 1. Evaluation Procedures

(a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the technical and financial evaluation criteria .

(b) Canada will determine first if there are three (3) or more offers with a valid Canadian Content certification. In that event, the evaluation process will be limited to the offers with the certification; otherwise, all offers will be evaluated. If some of the offers with a valid certification are declared non-responsive, or are withdrawn, and less than three responsive offers with a valid certification remain, the evaluation will continue among those offers with a valid certification. If all offers with a valid certification are subsequently declared non-responsive, or are withdrawn, then all the other offers received will be evaluated.

### 1.1. Evaluation

All offers must be completed in full and provide all of the information requested in the Request for Standing Offer to enable full and complete evaluation.

#### 1.1.1 Mandatory Evaluation Requirements:

Should any of the Mandatory Requirements not be met, the offer will be rejected as non-compliant and shall not be given any further consideration.

- Bidders must provide a price for each item listed in Annex B-1 (Petawawa) and/or Annex B-2 (Trenton) and/or Annex B-3 (Kingston).
- Unit of issue as stated herein is not to be changed.
- Offerors must be able to supply Breakfast, Lunch and Supper (where required) lunches for all locations they are quoting on, including Halal (certified by the Islamic Society of North America - Canada) and Vegetarian, where required.

### 1.2 Financial Evaluation

**1.2.1** Pricing Basis B-1, B-2 and B-3 will be evaluated separately. Firms may quote on one, two or all three parts of the Pricing Basis.

**1.2.2** Bids meeting the Mandatory Requirements will be assessed to arrive at an aggregate total based on the estimated usage provided in the relevant sections of Annex "B".

**1.2.3** Definition of Aggregate Total: The line item prices are multiplied by the estimated usage to arrive at an extended price. The Aggregate Total is the sum of all the extended prices.

## 2. Basis of Selection

**2.1** It is the intention of Canada to issue a single Standing Offer each for Pricing Basis B-1, B-2 and B-3 to the offeror whose proposal meets the Mandatory Requirements, offers the lowest aggregate total and meets all the Conditions Precedent to Issue a Standing Offer as detailed in Part 5.

**2.2** Should one bidder be the lowest compliant bidder for two or more of the Pricing Basis, all of the awarded pricing basis' will be included in a single Standing Offer, rather than multiple documents to the same successful contractor.

## PART 5 - CERTIFICATIONS

Offerors must provide the required certifications or documents to be issued a Standing Offer. Canada will declare an offer non-responsive if the required certifications are not completed and submitted as requested.

Compliance with the certifications offerors provide to Canada is subject to verification by Canada during the bid evaluation period (before issuance of a Standing Offer) and after issuance of the Standing Offer. The Contracting Authority will have the right to ask for additional information to verify offerors' compliance with the certifications before issuance of a Standing Offer. The offer will be declared non-responsive if any certification made by the offeror is untrue, whether made knowingly or unknowingly. Failure to comply with the certifications or to comply with the request of the Contracting Authority for additional information will also render the offer non-responsive.

## **1. Certifications Precedent to Issuance of a Standing Offer and Certifications Required with the Offer.**

Offerors must submit the certifications as provided.

### **1.1 Certifications Precedent to Issuance of Standing Offer**

The certifications listed below should be completed and submitted with the offer, but may be submitted afterwards. If any of these required certifications is not completed and submitted as requested, the Standing Offer Authority will so inform the Offeror and provide the Offeror with a time frame within which to meet the requirement. Failure to comply with the request of the Standing Offer Authority and meet the requirement within that time period will render the offer non-responsive.

#### **1.1.1 Federal Contractors Program for Employment Equity - Certification \$200,000 or more**

1. The Federal Contractors Program (FCP) requires that some suppliers, including a supplier who is a member of a joint venture, bidding for federal government contracts, valued at \$200,000 or more (including all applicable taxes), make a formal commitment to implement employment equity. This is a condition precedent to the issuance of a standing offer. If the Offeror, or, if the Offeror is a joint venture and if any member of the joint venture, is subject to the FCP, evidence of its commitment must be provided before the issuance of a standing offer.

Suppliers who have been declared ineligible contractors by Human Resources and Skills Development Canada (HRSDC) are no longer eligible to receive government contracts over the threshold for solicitation of bids as set out in the *Government Contracts Regulations*. Suppliers may be declared ineligible contractors either as a result of a finding of non-compliance by HRSDC, or following their voluntary withdrawal from the FCP for a reason other than the reduction of their workforce to less than 100 employees. Any offers from ineligible contractors, including an offer from a joint venture that has a member who is an ineligible contractor, will be declared non-responsive.

2. If the Offeror does not fall within the exceptions enumerated in 3.(a) or (b) below, or does not have a valid certificate number confirming its adherence to the FCP, the Offeror must fax (819-953-8768) a copy of the signed form LAB 1168, Certificate of Commitment to Implement Employment Equity, to the Labour Branch of HRSDC.

3. The Offeror, or, if the Offeror is a joint venture the member of the joint venture, certifies its status with the FCP, as follows:

(a) ( ) is not subject to the FCP, having a workforce of less than 100 full-time or part-time permanent employees, or temporary employees having worked 12 weeks or more in Canada;

(b) ( ) is not subject to the FCP, being a regulated employer under the Employment Equity Act, S.C. 1995, c. 44;

(d) ( ) is subject to FCP, and has a valid certificate number as follows: \_\_\_\_\_ (e.g. has not been declared an ineligible contractor by HRSDC).

Further information on the FCP is available on the HRSDC Web site.
