AMENDMENT 004

The purpose of this amendment is to publish answers in response to questions received regarding this TBIPS SA RFP.

THE FOLLOWING CLARIFICATIONS FORM PART OF THIS TBIPS SA RFP:

Question 1) With regards to Evaluation Criteria for I.11 Technology Architect – BPM and Security (Level 3):

As per Rated Requirement #7 (R-7): The bidder's proposed resource should demonstrate for each project a minimum of 6 months continuous experience within the last 10 years working with business process modeling tools supported by a repository for business model artifacts. Would the crown accept MS Visio as a business process modeling tool supported by a repository for business model artifacts?

Answer 1) No, the requirement R-7, shall remain as written. We do not consider MS Visio as a business process modeling tool and although a BPMN stencil may be added to MS Visio to provide Business Process diagrams, there is no supporting repository for the modeled artefacts. We would not consider experience with Visio as valid for this rated criteria.

Question 2) While we understand the need for HRSDC to award this contract quickly and have the work conducted soon, the requirements laid out for the candidates are quite extensive, we respectfully request a one week extension to the closing date of the solicitation.

Answer 2) No extensions will be granted.

ALL OTHER TERMS AND CONDITIONS OF THIS TBIPS SA RFP REMAIN UNCHANGED.
