This amendment is issued to confirm the date of Industry Day. The following changes are hereby made to the Letter of Interest (LOI):

REMOVE:

6. Industry Day

REPLACE with the following:

6. Industry Day

Canada will host a non-mandatory Industry Day, which interested suppliers are encouraged to attend. Canada will provide a presentation on the Project and a Question and Answer session will be held. *Attendance at the event is not mandatory and will not prevent suppliers from bidding on a possible future solicitation.* Any exchange of information including Questions and Answers deemed to be of significant value to suppliers may be provided to non-attendees through an amendment to the LOI on MERX.

The Industry Day event is scheduled to take place in Ottawa, Ontario **on Thursday, October 25, 2012**

Suppliers are requested to submit their questions, at the latest, 14 days prior to the Industry Day event. Responses to these questions will be provided during the Industry Day. These questions and answers will subsequently be published on MERX through an amendment to the LOI. For all other questions received post-Industry Day, suppliers are directed to Section 13. Please note that throughout this process suppliers anonymity will be respected and questions will be re-worded to protect the identity of the each supplier.

A maximum of four (4) attendees per supplier will be permitted to attend the event. Suppliers who choose to attend must submit a confirmed list of attending representatives to the PWGSC Contracting Authority identified under Section 14 of this LOI. The confirmed list of attending representatives is to be submitted no later than **October 12, 2012**.

In order to provide adequate time to make travel arrangements, Canada will send all attending suppliers the confirmed event dates, and the official event agenda shortly after **October 15, 2012**.

Canada will not be responsible for any costs associated with attendance at the Industry Day.
