Question:

Part A: The evaluation criterion requires that only one resume be submitted per resource category. There are some resource categories that have multiple resources required. Many of these categories have rated criteria for individual experience. As experience varies between individuals the associated points for each individual will vary. If a company submits one resume and scores full marks what requires them to have full marks for all the resources that they submit after the award of the contract? How will Canada enforce the requirement? This RFP has a "Best Value " selection methodology.

Answer:**1. At page 30 of the RFP, article 7.20 Professional Services - General, paragraph (c):**

DELETE: In its entirety.

INSERT:

The Contractor must provide professional services on request as specified in this Contract. The individual(s) proposed in its bid is required to perform the Work, the Contractor must make such person available to perform the work within 10 working days of the issuance of the Contract or the TA (whichever first contains instructions from Canada for that individual to report to the Work site). Where such a specific individual is unavailable to perform the Work, Canada may elect to either (i) exercise its rights or remedies under the Contract or at law (including terminating the Contract for default), or (ii) Canada may require the Contractor to propose the replacement of the specific individual in accordance with the Article titled, "Replacement of Specific Individuals" in the General Conditions 2035. This obligation applies despite any changes that Canada may have made to any hardware, software or any other aspect of the Client's operating environment. In respect of any given Category of Personnel, any replacement resource will be rated by the Technical Authority and the score obtained must be equal or superior to the score obtained for that original resource.

2. At page 13 of Attachment 1 to Annex A, Statement of Work:**INSERT:**

Bidders, the text to be inserted is found at the attachment to this solicitation titled: Appendix 1 to Annex A, Resource Evaluation Criteria.

Note to Bidders: Appendix 1 to ANNEX A is for information ONLY. Resources requested on future Task Authorizations under the resulting Contract will be evaluated against these criteria. These grids are NOT to be completed for the current bid solicitation.
