TITLE: *Clean Transportation Initiative Call for Proposals*

The purpose of this amendment is to amend the solicitation document as detailed below, and to add an Attachment A - *Questions and Answers* to the Call for Proposals Solicitation Document to respond to questions received by bidders.

1. AT SECTION 3.2 STAGE TWO: EVALUATION:

DELETE: Step Two (2): Screening Criteria

Proposals that have met the Mandatory Criteria and Certifications will be evaluated against the Screening Criteria identified in Annex "B", *Evaluation Criteria*, in the order that the stated criteria appear. If a proposal fails to successfully address any of the screening criteria, the proposal will be declared non-responsive and will not be given further consideration (i.e. the remaining criteria will not be evaluated).

2. AT SECTION 3.2 STAGE TWO: EVALUATION, Step Three (3): Technical Point-Rated Criteria:

DELETE: Screening Criteria

INSERT: Mandatory Criteria and Certifications

3. AT ANNEX "A", PART 3: EVALUATION CRITERIA:

DELETE: Screening Criteria

4. INSERT AN ATTACHMENT "A" - *QUESTIONS AND ANSWERS*, TO THE CALL FOR PROPOSALS SOLICITATION DOCUMENT AND INSERT THE FOLLOWING QUESTIONS AND ANSWERS:

Q1. I am wondering if this initiative includes noise as emissions.

A1. No, noise as an emission is not included in the scope of the work.

Q2. I ordered documentation from MERX and they sent me instructions in PDF format which is only readable. However, I need the proposal template in WORD format or in PDF which I can fill out. Please advise where I can get the template for the proposal.

A2. Bidders who would like a Microsoft Excel template to fill out the Financial Proposal, Annex "A"- Appendix "A-2" and Annex "A"- Appendix "A-3", may contact the Contracting Authority at brooke.taylor@tpsgc-pwgsc.gc.ca. Once the template is complete it should be converted to PDF format.

It is not mandatory to obtain the template.

Q3. Can you let me know if in-kind contributions are eligible as "bidder co-investment"?

A3. Yes, in-kind contributions are considered a bidder co-investment.

Q4. There is no industrial partner requirement?

A4. No, it is not mandatory to have a partner.

Q5. The 25% minimum contribution- are there any restrictions on the source of that funding, - may it come from other granting agencies or other government sources?

A5. The 25% must be Bidder in-kind contributions.

In-kind contributions to the direct costs of the project and considered essential to the research could be in the form of cash equivalent goods or services that represent an incremental expense that would not normally occur and which would have to be purchased by project funds if not donated.
