AMENDMENT

REQUEST FOR INFORMATION

Earth Observation Archive Access and Data Management Solution

FOR

CANADA CENTRE FOR REMOTE SENSING (CCRS)

GROUND SYSTEMS BUSINESS DEVELOPMENT SECTION

NATURAL RESOURCES CANADA (NRCan)

PURPOSE OF THIS RFI AMENDMENT

The purpose of this amendment is to inform industry, with respect to the Statement of Requirements (SOR) for Earth Observation Archive Access and Data Management Solution that, following receipt of comments from industry, it is intended to have the vendors present their product and demonstration of functionality during the week of March 27, 2012. Please ensure that any presentations are available in digital format "

POST SUBMISSION REVIEW MEETING

After Vendor presentations, PWGSC and NRCan will make themselves available to Respondents for individual Post-Submission Review Meetings to be held at a location in the National Capital Area.

The intent of these meetings will be to provide an opportunity for a face-to-face discussion between NRCan, the Contracting Authority and the Respondent concerning the feedback, suggestions or alternative approaches set out in their response to this RFI. The meeting will be optional and held at the request of the Respondent. All such requests should be e-mailed to the Contracting Authority identified below no later than March 21, 2012.

Respondents who will be providing the demonstration, will be forwarded a schedule of available times and locations. Respondents will be asked to identify two scheduled times for a meeting with Canada.

Canada will either confirm a requested time and location or will reply with an alternative suggested time. Demonstration times will be allocated on a first come, first served basis.

RFI PROCEDURES

The target date for receipt of Industry comments to this RFI is February 27, 2012. However, comments received after that date will be given consideration if received prior to the release of an RFP.

This request for comments from industry is intended only to enable the Government to consider industry concerns, early in the procurement process, prior to finalizing the procurement approach and issuing an RFP.

Responding to this RFI is not, in any way, a prerequisite to receiving an RFP for the requirement
