Q1 Section 33 56 13, Part 1 – General, Section 1.1 States, 1. “Materials and Installation for fibre reinforced aboveground fuel storage tanks.” Is there more above ground storage tanks a part of the contract or is there just the one that forms part of this contract?

A1 Section 33 56 13, Part 1, Section 1.1 refers to fibre reinforced aboveground fuel storage tanks in general. Requirements under this contract are for the disconnection, installation of the above ground fuel storage tank shown in the Issue for Tender Drawings at a temporary location as well as the re-installation of this above ground fuel storage tank at it's original location.
