---

This amendment **#001** is raised to answer questions pertaining to Solicitation **#W7702-135599/A**.

**QUESTION 1**

Can we submit a bid for a piece of equipment that will meet the needs of the customer but takes exception to a few of the specifications (size, weight, built-in computer).

**ANSWER 1**

No, the equipment offered must meet the specifications as detailed in the Solicitation documents.

**QUESTION 2**

2) Do you want more sample introduction methods than SPME?

2a) If so, are you looking for vapor?

2b) If you are analyzing vapor, would continuous monitoring be appealing?

**ANSWER 2**

The SOW specifies that SPME sample introduction is mandatory. Sample introduction techniques in addition to SPME may be provided by the vendor, but all the mandatory specifications must be met with system configured for SPME sample introduction.
