This amendment #002 is raised to modify RFP W0117-127436/A as follows:

**1) Revise PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION, Article 2. Basis of Selection:**

**DELETE:** The total aggregate evaluated amount for each bid is calculated by multiplying the unit price for each item by the associated estimated quantity listed and summing the values. **It is mandatory for bidders to provide pricing for a minimum of 56 of the 70 items to be considered compliant.** The evaluation will be based on like items.

**INSERT:** The total aggregate evaluated amount for each bid is calculated by multiplying the unit price for each item by the associated estimated quantity listed and summing the values. **It is mandatory for bidders to provide pricing for a minimum of 56 technically compliant items (out of the 70 items requested) to be considered compliant.** The evaluation will be based on like items.

**2) Revise Annex A: Requirement:**

**DELETE:**

**Technical Evaluation:**

**Completion of the Minimum Mandatory Specification is mandatory to be deemed compliant.** Bidders should submit with the bid, technical documentation such as specification sheets, technical brochures and photographs or illustrations to demonstrate compliance to each mandatory criterion listed in Annex C – Compliance Matrix. If specific published technical documentation is not available, the Bidder should prepare a written narrative complete with a detailed explanation of how its bid demonstrates technical compliance. If any technical documentation is not submitted as requested, the Contracting Authority will so inform the Bidder and provide the Bidder with a time frame within which to meet the requirement. Failure to comply with the request of the Contracting Authority and meet the requirement within that time period will render the bid non-responsive
