Solicitation Amendment

Title Emergency Power System Inspection

Solicitation Amendment No. **006**

This solicitation is hereby amended to provide the following questions and answers

Q1. During the visit at the Atlantic Institution last Thursday June 21st, I counted 5- ASCO Transfer switches: Three in the Generator room, one in the tunnel, and one in the Electrical vault. They were all ASCO Transfer switches for a total of 5 switches. The question we have is in the statement of work for this site it states that there are 3- ASCO Transfer Switches. Can you confirm this for us?

A1. Yes the Atlantic Institution has five (5) Transfer Switches, as was observed during the Site visit last week. Therefore the Suppliers will be bidding on five (5) Transfer Switches instead of just three (3) Switches which was listed in the statement of work.

If your bid has already been forwarded and you wish to revise same, this revision should be sent either in a sealed envelope and mailed to the above address or by facsimile (506) 851-6759 and reach the undersigned before the appropriate closing date. The solicitation number and the closing date are to be shown on the outside of the sealed envelope or on the facsimile transmission.

All other terms and conditions of the solicitation document remain unchanged remain unchanged.

All enquiries concerning this amendment are to be forwarded to:
