This amendment is raised to answer the following questions:

Q1. The solicitation asks for (1) bedroom suite with (1) bathroom. Can the unit be a (1) studio suite with (1) washroom?

Basically meaning that the kitchen/dining area/sleeping area are with in (1) room, contained within (4) walls and (1) entry door. Is this an issue? Or does the sleeping room have to be seperated by a private room with another door?

A1. DND does not want to change the requirement to allow for a studio due to the amount of time the members will be located at the facility.

=====

Q2. As for the mileage constraints of 15 miles and boundaries. Is it possible to lift the borders of I75 and I285? As this will increase the amount of locations that can be offered to Canada? All mileage would remain the same.

A2. The boundaries are to remain as is.

All other terms and conditions to remain the same.
