## PART 2 - OFFEROR INSTRUCTIONS

### 1. Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the Standard Acquisition Clauses and Conditions (<http://ccua-sac.tpsgc-pwgsc.gc.ca/pub/ach-o-eng.jsp>) Manual issued by Public Works and Government Services Canada (PWGSC).

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The 2006 (2011-05-16) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO.

### 2. Submission of Offers

Offers must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated on page 1 of the Request for Standing Offers.

Once the offer has been completed and submitted to the bid receiving unit, a copy of the Working Document (Excel file) may be forwarded, by e-mail to: **kingston.procurement@pwgsc.gc.ca**

### 3. Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than seven (7) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that offerors do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered with copies to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

### 4. Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed by the laws in force in Ontario.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

## PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

### 1. Evaluation Procedures

Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the financial evaluation criteria .

#### 1.1 Financial Evaluation

##### 1.1.1 In Annex B-1, the bid must not contain any substitution of product pack and/or size

**If a requested pack/size is no longer available, it is up to the bidder to notify the Contracting Authority no later than 7 calendar days prior to the closing date. Any changes to product pack and/or size will be made by the Contracting Authority through an amendment to the Request for Solicitation document.**

(a) Where changes to pack or unit size are proposed:

- i) The proposed change to pack size is necessary because the original pack size specified is unavailable in the industry for the proposed alternate brand name; and
- ii) The proposed pack size reflects the next size up or down (from the original pack size specified) that is available in the industry ; and
- iii) There is **less than a 10% difference** between the unit size of the proposed alternate brand name and that specified in the RFSO.

1.1.2 Bids will be assessed to arrive at an aggregate value based on the estimated usage provided herein at Annex B-1, Incoterms 2000 "DDP Delivered Duty Paid" as indicated.

The estimated usage provided herein is for the sole purpose of establishing an evaluation tool and are based only on best estimates. They may not reflect the actual usage and do not represent any commitment on the part of Canada.

1.1.3 Under Pricing Basis "A", the Offeror's Unit Prices will be multiplied by the corresponding estimated usage to arrive at an extended price. In the event that a bidder does not provide a price for any item PWGSC will, for assessment purposes only, substitute the highest price quoted (by another bidder) for the item for which they did not provide a quote. If all bidders fail to provide a price for a particular item, that item will be eliminated from the assessment. This will be for the purposes of obtaining an aggregate total for each bidder.

1.1.4 Under Pricing Basis "B", the percentage discount will be deducted from the estimated dollar value to arrive at an extended price.

1.1.5 The aggregate value is the sum of all extended prices.

## **2. Basis of Selection**

1. Offers the lowest aggregate value ; and
2. Meets all the Conditions Precedent to Issue of a Standing Offer (located in Part 5).

## **PART 5 - CERTIFICATIONS**

Offerors must provide the required certifications to be issued a standing offer. Canada will declare an offer non-responsive if the required certifications are not completed and submitted as requested.

Compliance with the certifications offerors provide to Canada is subject to verification by Canada during the offer evaluation period (before issuance of a standing offer) and after issuance of a standing offer. The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's compliance with the certifications before issuance of a standing offer. The offer will be declared non-responsive if any certification made by the Offeror is untrue, whether made knowingly or unknowingly. Failure to comply with the certifications or to comply with the request of the Standing Offer Authority for additional information will also render the offer non-responsive.

### **1. Certifications Precedent to Issuance of a Standing Offer**

Offerors must submit the certifications as provided below:

#### **1.1 Certifications Precedent to Issuance of a Standing Offer**

The certifications listed below should be completed and submitted with the offer, but may be submitted afterwards. If any of these required certifications is not completed and submitted as requested, the Standing Offer Authority will so inform the Offeror and provide the Offeror with a time frame within which to meet the requirement.
