In response to Questions received during the bidding period.

### A) PV system

#### Question 1

Has PWGSC already applied for AND received the OPA FIT contract?

Response: A contract has not been finalized under the FIT program as of to date. This will be completed over the next few months.

#### Question 2

Assuming the FIT contract has been awarded, does PWGSC have an approved Connection Impact Assessment (CIA) from the local utility?

Response: All requirements will be completed to met the requirements of the FIT contract. The project team has been in contact with the local utility. Information regarding the CIA is not available at this time, but will be provided prior to bid closing.

### B) Commissioning –Section 01 91 00

#### Question 3

It mentions under 1.24 Payment Conditions that “Contractor shall identify commissioning costs in his tender sum and should allocate not less than three percent (3%) of the total contract price for commissioning activities”.

Where should this be done as there no specific instructions on the Bid and Acceptance Form?

Response: This is to be removed from the specifications, see addendum #02.

### C) Drawing – A9-00

#### Question 4

Who is responsible for furnishing setup?

Response: An owner furniture supplier will be responsible for furniture setup. General contractor will be responsible for the coordination of electrical and communications services through furniture.
